Re: Portable Source Relocation Letter  
Permit #: L-071-12290-05146

Dear Ms. Green:

Approval is hereby granted to operate the portable ready-mix concrete batch plant, described in Operation Permit No. S019-5680-03262 (source ID amended to 05146 April 18, 1997) issued on September 6, 1996. This source is to be located at 9966 N. County Road 790, Seymour, in Jackson County, Indiana. This plant was previously located at County Road 550 at U.S. 41, Gibson County, in Gibson County, Indiana. The site approval for County Road 550 at U.S. 41, Gibson County, Indiana was issued on April 29, 1997.

Relocation of this plant must take place within 120 days after the issuance of this decision. The enclosed Notice of Decision explains your options to challenge this decision under IC 4-21.5-3-5(f). Pursuant to IC 4-21.5-3-5(f), this approval is not effective until eighteen (18) days from the date of this letter. This approval supersedes all previous site approval letters.

Advance written notice to the Office of Air Management (OAM), Air Compliance Section, of start-up is required in order for the OAM to perform an inspection. If the plant is not operating in compliance with all applicable regulations upon inspection, the plant must cease operation upon notification to you by OAM staff of such non-compliance. Operations may only resume once remedial actions have been taken and approved by the OAM.

If you have any questions concerning this relocation site approval, please contact Gary Freeman of my staff at 317/233-5334 or at 1-800-451-6027, ext 3-5334.

Sincerely,

Paul Dubenetzky, Chief  
Permits Branch  
Office of Air Management
